Council of the Metropolitan Region
- **regional governance**  
networking with businesses, science, culture and administration

## Mission statement and five strategic objectives

**„We want to be the preferred home region for talented and dedicated people from all over the world. Together we establish a home for creative minds.“**

## Facts and Figures

The Metropolitan Region is a voluntary association of 11 independent towns and cities and 23 districts.

160,000 companies generate a gross domestic product of 115 billion Euros corresponding to the economic performance of Hungary.

## One strategic object

Efficient infrastructure for people, goods and information

Transport Association Nuremberg (Verkehrsgroßraum Nürnberg VGN)

The 2<sup>nd</sup> largest Transport Association in Germany and the largest in Bavaria

Travel the ENTIRE VGN-AREA with just ONE ticket.

VGN Tickets allow you to take all suburban railways, regional trains, underground trains, trams and buses.

The VGN cooperates with many regional car sharing providers. All offer a private, subsidized for VGN-subscription customers, tariff. All car sharing stations are located in the immediate vicinity of VGN-stops.
