Expanding the Inner City

- ▶ Oslo's major area for development
- ▶ 30-40.000 dwellings
- ▶ 50-100.000 work places
- ▶ Strategic plan adopted by the City Council in 2018
- ▶ Followed up large master plans and detailed zoning plans

System analysis 2018 , Norwegian Public Roads Administration in collaboration with City of Oslo

Interesting challenges

- What order of action
- General traffic volume
- Financing
- Developing areas on the sides
