# Because...

**RiConnect** Rethinking mobility infrastructure to reconnect cities

# Result: a patchwork of mono-functional uses + congestion

# An obsolete model

**RiConnect** Rethinking mobility infrastructure to reconnect cities

# Hypothesis RiConnect

Why don't we rethink/reuse/recycle these obsolete mobility infrastructures to get a more dynamic, sustainable, equitable and attractive metropolis where everyone can interact with everyone and move freely regardless of their age, social rank and where they live.

Sustainable  
Metropolis

Quality  
Public Space

# How

## 1. Reorganising how we move

## 2. Integrating the infrastructure

## 3. Planning the metropolis

## 4. Adding ecosystem functions
